

# WELCOME TO NBRACER DAY 0

## Youth Engagement at Klimatorium

### LOCATION

Klimatorium,  
Havnen 8, 7620  
Lemvig

### DATE

Monday,  
October 6, 2025

To kick off the NBRACER General Assembly 2025, this year's program begins with NBRACER Day 0—a dedicated youth engagement event hosted in partnership with Klimatorium's Youth Climate Summit. Taking place the day before the General Assembly (7–9 October), Day 0 highlights the voices and ideas of young people in the field of climate adaptation and resilience.

This one-day gathering brings together youth from across regions and backgrounds to share perspectives, develop practical insights, and connect academic knowledge with real-world climate action. As part of the summit, each NBRACER region is encouraged to invite and involve local youth in the online components of Klimatorium's Youth Climate Summit.
